See category tab for details.

Warranty

Server Products equipment is backed by a two-year limited warranty against defects in materials and workmanship. For our complete warranty statement, see our web site or contact us.

Bid Description

Constructed of stainless steel with a brushed (#4) finish. The single stand holds a #10 can, Stainless Steel Jar (94009) or 1 gallon (3.8 L) jar. Includes a PSSS-F (83410) Polycarbonate pump.

The Server Solution™ pump dispenses a wide range of products from syrups to relish simply by changing the discharge fitting. Pump parts are dishwasher safe and replaceable. Maximum stroke yields 1 ounce (30 mL) with gauging collars supplied to reduce yield in ¼ ounce (7 mL) increments.

The Single Stand Lockable SS1L (67120) includes a hasp so pump lid can be padlocked to base shroud. Padlock not included.
