Warranty

Server Products equipment is backed by a two-year limited warranty against defects in materials and workmanship. For our complete warranty statement, see our web site or contact us.

Bid Description

The Solution™ Center is constructed of a brushed finish stainless steel base. The front section is furnished with a Server Solution™ polycarbonate pump. Back section includes a Serve-A-Cup™ soufflé cup dispenser constructed of a polypropylene cup tube. Front and back lids are stainless steel.

The Solution™ pump dispenses from a #10 can, Stainless Steel Jar (94009), 1 gallon (3.8 L) jar (containers not included). Polycarbonate pump parts are dishwasher safe and replaceable. Maximum stroke yields 1 ounce (30 mL) with gauging collars supplied to reduce the yield in ¼ ounce (7 mL) increments.

The Serve-A-Cup™ includes cup guides and strippers to dispense ¾ and 1 ounce (22 & 30 mL) paper or plastic soufflé cups one-at-a-time. Capacity is approximately (100) paper cups. This model can be adapted to hold (6) soufflé cup sizes: ¾, 1, 1¼, 1½, 2 and 2½ ounces (22, 30, 37, 45, 60 & 75-mL). Contact our customer service department for details.

Standard Features

- Polycarbonate pump is dishwasher safe for easy clean up
- (3) discharge fittings to accommodate various food products
- Pump a wide range of products from syrups to some relishes
- Easy-to-adjust portion control in ¼ ounce (7 mL) increments
- (2) cleaning brushes included for pump maintenance
- One-at-a-time cup dispensing reduces waste and contamination
- Dispenses ¾ and 1 ounce (22, 30 mL) paper or plastic cups
- Easily dispense approximately (100) paper soufflé cups while keeping your serving area neat and clean

Solution™ Center Accessories

- Spout-side cleaning brush 82049
- Cylinder-side cleaning brush 82526
