S2T 85100
Season2Taste™

Two Year Warranty

Server Products equipment is backed by a two-year limited warranty against defects in materials and workmanship. For our complete warranty statement, see our web site or contact us.

Bid Description

Season2Taste™ is constructed of polypropylene. Capacity is eight ounces of granular seasoning. Shaker head snap-fits to container for easy refilling.

The Season2Taste™ shaker has 10 settings for portion control. Portion size is determined by the position of the numbered dial with 1 being the smallest portion and 10 the largest. For example, a portion of table salt would dispense .8g when set at number 1 and 2g at 10*.

To operate, shake up then down to equal one portion.

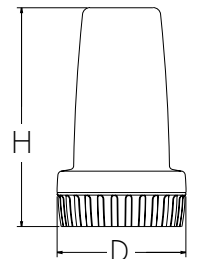

Available as a single unit 85100 or a case pack of (12), 85110.

Standard Features

- Durable polypropylene construction is lightweight and dishwasher safe
- 10 portion control settings are easy to set—turn the dial to the desired setting
- Wide snap-fit opening makes filling easy
- Dispenses granular seasonings with accuracy—house recipes will always be what you intended
- Seasoning level is visible through translucent container
