Bid Description

Server Products, together with Rich Products Corporation, a leader in whipped topping, have collaborated to bring you convenient dispensing options which meet your operational needs.

The Topping Caddy™ is designed to utilize a standard 6 quart (5.7 L) bain marie with ice or any other ice bath. The caddy is designed for neat and convenient storage of specified Rich's® Whipped Topping products (see back for list). When you're done dolloping, simply place the pastry bag into the caddy (tip down) for safe out-of-the-way storage.

Standard Features

- Holds specified Rich's® Whipped Topping products
- Helps encourage safe serving temperature of topping
- Neatly stores pastry bag while reducing contamination risk

Accessory Item

- Bain Marie, 6 quart (5.7 L) 85474
