Warranty

Server Products equipment is backed by a two-year limited warranty against defects in materials and workmanship. For our complete warranty statement, see our web site or contact us.

Bid Description

The Extreme countertop dispenser is constructed of a stainless steel shroud with black plastic lid. Includes NSF listed, 5-piece plastic pump. Works exclusively with 3 gallon (11.3 L) bag in box packaging with a 38 mm bag connector.

Pump yields a maximum stroke of 1 ounce (30 mL) with adjustable portion control to reduce yield in 1/4 ounce (7 mL) increments. The Extreme countertop dispenser is designed to work best with smooth condiments and sauces achieving up to 97% evacuation.

Standard Features

Countertop unit needs no installation

Holds 3 gallon (11 L) bag in box packaging for maximum time between change outs

NSF listed pump is quick to breakdown and completely dishwasher safe

Maximum stroke yields 1 ounce (30 mL)

Easy-to-adjust portion control in 1/4 ounce (7 mL) increments

Accessories

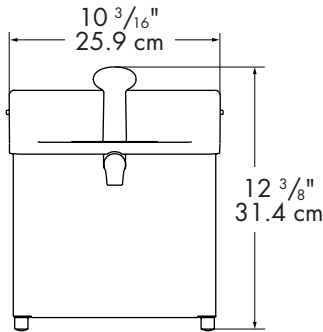

- Replacement Pump 07518
- Single Drip Tray Assembly 07291
- Cleaning Brush 82049
